Eaton & Berube Insurance Agency & Arbella Insurance Foundation Donate \$2,000 to Nashua Soup Kitchen & Shelter

Arbella Insurance Foundation's "Let's Drive Out Hunger" Initiative Now in its Eighth Year

Nashua, N.H. – February 1, 2016 – Marc Berube, President of Eaton & Berube Insurance Agency, announced today that the agency has donated \$1,000 to the Nashua Soup Kitchen & Shelter as part of the Arbella Insurance Foundation's "Let's Drive Out Hunger" program. Along with Eaton & Berube, Arbella's Foundation donated \$1,000, bringing the total donation to \$2,000.

Now in its eighth year, Let's Drive Out Hunger aims to alleviate the all too common issue of food insecurity in New England. Arbella's Foundation collects contributions from any of Arbella Insurance's nearly 500 partner independent agents, and matches each donation on a two-to-one basis, up to \$1,000 per agency. Over the past seven years, the Arbella Insurance Foundation and independent agents have contributed more than **\$630,000** to over 400 emergency food programs, soup kitchens, food pantries, and homeless shelters throughout New England.

"The battle for food security is quietly being waged in communities across New England, including Nashua, and our local food pantries and shelters need our support," Berube said. "We are proud to donate to the Nashua Soup Kitchen & Shelter and help overcome hunger in our community."

"Hunger affects thousands of families across New England, and Arbella's Foundation has a longstanding commitment to our local food pantries and soup kitchens," said John Donohue, chairman, president and CEO of the Arbella Insurance Group and chairman of Arbella's Foundation. "We're proud to partner with our independent agents and do our part to overcome hunger in the towns where our colleagues and customers live and work."
