Home Health & Hospice Care (HHHC) has been a provider of home care and hospice services since 1883 making them the region’s most experience Visiting Nurse Association. Serving 25 communities in southern New Hampshire, they provide traditional home care, inclusive of nursing, rehabilitation therapies, medical social work, licensed nursing assistants, as well as companions. HHHC’s Hospice teams care for patients in their homes, in nursing facilities, and in the Community Hospice House, which is owned and operated by HHHC. They take pride on having superior outcomes, cutting-edge technology and being leaders in disease management. Patients, clinicians, and physicians choose HHHC for these reasons and many more.

President and CEO of Home Health and Hospice Care, John Getts, speaks about his relationship with the United Way of Greater Nashua and what it means for his company. “Partnering with the United Way has further diversified our own community involvement. Being an agency that relies so heavily upon support from our community, partnering with this inspiring organization allows us to give back. In partnership we ensure our employees have access to the services they need and our programs obtain additional support. Together, we address our region’s critical needs with customized services.”

According to Mike Apfelberg, President of United Way of Greater Nashua, “Home Health and Hospice provides end of life support to our citizens in a compassionate, caring manner. Dying with dignity is something which each of us will hope for at some point and, without Home Health and Hospice this would be very difficult to do in our community. The humanity they bring to this most difficult of circumstances is simply awe inspiring. It is we who must thank them for being such inspiring light in our community.”

United Way of Greater Nashua currently provides program funding for 29 different programs in 17 different agencies throughout the greater Nashua area. This funding comes from the support of the community through United Way’s annual workplace campaign. United Way tackles the critical needs in our community through its unique assessment and community investment process.
