

Junior Executive Academy Debuts in Nashua **Program Prepares College Students and New Graduates for their Job Search**

(NASHUA, NH) - Velocity Performance's *Victory Academy* will launch a new, two-day summer program in July at the nashuaHUB in Downtown Nashua, NH. The Junior Executive Academy will prepare students and new college graduates for their career search by offering training on strategies to improve productivity, leverage networks, develop career goals, and build a tangible plan to attain that first job.

According to Kristen Kjellman Marshall, Associate Partner at Velocity Performance and Executive Director of the Victory Academy Program, "The transition from college to the 'real-world' is challenging. We've created this special Academy for students to learn about real life experiences and strategies from business and athletic leaders to help them to navigate this journey."

The Junior Executive Academy is an extension of the Velocity Performance Leadership Academy offerings that are built for executives, professionals and emerging leaders in companies large and small, from the Fortune 100 to Inc. 500 businesses. The newly designed Junior Executive Academy will provide students and new graduates with a competitive edge for today's job market. Participants will learn how to Build an Executive LinkedIn Profile; Develop a Compelling Professional Resume; Learn CEO Interview Tips; and Master a Knockout Elevator Pitch.

Jexi Williams, of Nashua, a sophomore at Assumption College in Worcester, Massachusetts, looks forward to the Academy. Williams said, "I know it will be a great learning experience and will help prepare me for my upcoming career search. The Academy will give me an advantage when it comes to building my brand and professional presence. I'm most excited to receive helpful interview tips!"

The two-day program costs \$199 and includes four hours of class time over two days, July 13-14, 2016 from 6:00-8:00pm at the newly opened nashuaHUB at 4 Water Street in Downtown Nashua. Parking is onsite and free. To register, visit: <http://victory.academy/junior-executive-academy>.
