**Manchester, NH (June 14, 2016)** - The Tri-City Expo is a joint effort between the Greater Concord, Manchester and Nashua Chambers of Commerce. The event will be held at the Radisson Hotel Manchester, Center of NH on Thursday, September 29th, 2016 from 3 p.m. – 7 p.m. Named New Hampshire's "Best Networking Event" by New Hampshire Business Review, the Tri-City Expo will feature over 200 New Hampshire businesses in New Hampshire's largest business-to-business expo.

In its 28<sup>th</sup> year, exciting changes are taking place that will help all three chambers innovate, collaborate, and inform participants who attend and exhibit at the show. The most anticipated changes include:

- A user-friendly website with information for both attendees and exhibitors
- A valuable program book that will act as a resource for businesses, including a map of the show floor and contact information for exhibitors
- A new and improved floorplan to maximize exhibitor exposure and creates a professional look, feel and flow in the expo hall

With Dianne Mercier, president of People's United Bank, as the expo chairman, this year's event is sure to be a successful collaboration and partnership between the three cities. "The Tri-City Expo is an outstanding opportunity to cultivate business-to-business networking and build brand awareness – all under one roof in a high energy atmosphere," said Mercier.

The expo continues to offer exhibitors and attendees the opportunity to expand their networks and interact with the decision-makers from New Hampshire's most forward thinking businesses.
