EmbroidMe of Bedford Now Under New Ownership

Bedford, NH – EmbroidMe of Bedford, located at 410 South River Road, is under new ownership as of June, 2016. Sal and Jennifer Calautti, who also own and manage the EmbroidMe of Nashua, are excited to announce their purchase of this second EmbroidMe.

The Calauttis are well-versed in providing EmbroidMe customers with service that is second to none in their Nashua store, and look forward to doing the same in Bedford. Their hands-on ownership style means that on a typical day you can find one of the Calauttis in the store, ensuring that the business is running smoothly and that their customers are well taken care of.

Sal Calautti discussed his recent acquisition of the Bedford EmbroidMe, “My family and I are very enthusiastic about offering Bedford a one-stop-shop for promotional and marketing needs. We have already made many positive changes to the Bedford location and welcome everyone to see for themselves how EmbroidMe can provide the highest level of customer satisfaction.”

As owners of two local EmbroidMe’s, the Calauttis are able to further provide their customers with faster turn-around, and even more services.
