United Way of Greater Nashua Celebrates its Day of Caring Silver Anniversary!

Come celebrate United Way of Greater Nashua's 25th year of LIVING UNITED by volunteering for our Annual Day of Caring being held on Wednesday, September 14, 2016. For one day each September, about 300 volunteers in Greater Nashua take the day off from work to paint and clean up facilities, read to children, deliver meals to homebound elderly, and perform a variety of other services that area non-profit organizations often cannot complete due to lack of resources.

Dozens of businesses support Day of Caring in Greater Nashua by giving some of their employees the day off to volunteer. A representative at each company coordinates employee participation in Day of Caring. Individual volunteers from the community are also welcome!

All volunteers and company representatives should attend the Kick-off Breakfast, which promises to be a fun way to start your day! Get your Day of Caring T-shirt, reusable water bottle speakers, and breakfast!

Oldest DOC Shirt Contest! In celebration of the 25th Anniversary of the Day of Caring we are holding a surprise raffle drawing to recognize the oldest DOC T-Shirt. Do you have an old DOC t-shirt in your drawer? If so, wear it or bring it on September 14th and come down to the kick-off breakfast.

After the kick-off, volunteers should go directly to their assigned job sites.

Kick-off Breakfast 7:00 - 8:00 AM

St. Phillip Greek Orthodox Church
500 West Hollis Street
Nashua, NH 03060

Volunteer Jobs will run approximately 8:30 AM - 4:00 PM at Nashua-area non-profit organizations. Starting and ending times may vary by location.

Registration and other Day of Caring Information can be found on the United Way website at:
