Richard Boehler, MD, President and CEO, St. Joseph Hospital Named by Becker's Hospital Review as Physician Leader

NASHUA, NH — St. Joseph Hospital is proud to announce that Becker's Hospital Review has released the 2016 edition of its list of 110 Physician Leaders of Hospitals and Health Systems featuring presidents and CEOs of hospitals and health systems who also hold medical degrees.

Richard Boehler, MD, MBA, FACPE, has served as President and Chief Executive Officer at St. Joseph Hospital since April, 2013. He has more than 20 years of healthcare leadership experience, previously acting as Vice President of Medical Affairs and Chief Medical Officer (CMO) of St. Joseph Medical Center in Towson, MD, Senior Vice President and CMO of Kennedy Health System in Voorhees, NJ, and CMO of the healthcare technology company MedeAnalytics in Emeryville, CA. He is an experienced physician educator who has held academic appointments at Harvard Medical School in Boston and Johns Hopkins Medical School in Baltimore. Dr. Boehler is a Fellow of the American College of Physician Executives (FACPE) and a member of the American College of Healthcare Executives. He sits on the Board of Directors of the

New Hampshire Hospital Association, the American Heart Association of New Hampshire, the United Way of Greater Nashua and the Huntington.

Dr. Boehler has demonstrated outstanding leadership and clinical expertise throughout his career, leading initiatives to improve St. Joseph Hospital and the healthcare of the greater Nashua community.

About St. Joseph Hospital

St. Joseph Hospital, a member of Covenant Health, is a regional, full-service healthcare system dedicated to providing innovative, high quality healthcare. The main campus, St. Joseph Hospital, is a 208-bed facility combining the latest technologies and personalized medicine with conveniences such as around-the-clock emergency services, comprehensive, specialized treatment and preventive services at the Cardiovascular & Diabetes Center, Breast Care Center, and Cancer Center, DNV GL-accredited stroke program at our hospital and Rehabilitation Center, and labor and delivery services at the Childbirth Center. We offer an extensive physician network of specialists and primary care providers. Affiliates include St. Joseph School of Nursing.

About Becker's Hospital Review

Becker's Hospital Review is a monthly publication offering up-to-date business and legal news and analysis relating to hospitals and health systems. Articles are geared toward high-level hospital leaders, and we work to provide valuable information, including hospital and health system news, best practices and legal guidance specifically for these decision-makers. Each issue of Becker's Hospital Review reaches more than 18,000 people, primarily acute care hospital CEOs, CFOs and CIOs.
