**Greater Nashua Chamber Opens Applications for
2018-2019 Class of Leadership Greater Nashua**

(Nashua, NH) – The Greater Nashua Chamber of Commerce is excited to announce that applications are now being accepted for the 2018-19 Class of Leadership Greater Nashua. Program applications, as well as scholarship applications and information of the application process and timeline, can be found online at www.NashuaChamber.com/Resources/leadership-greater-nashua. Emerging civic and business leaders, men and women looking to move into professional and volunteer positions requiring strong leadership skills, those looking to expand their connections with key individuals in the greater Nashua region and learn more about the many facets of our community, and individuals looking for personal and professional growth in greater Nashua are all strongly encouraged to apply.

Leadership Greater Nashua (LGN) is a ten month program running from September through June. Following a two-day opening retreat in September, the class meets for a full day on the first Thursday of each month beginning in October, culminating in graduation in June.

LGN's mission is to strategically recruit, educate and inspire emerging leaders from every component of the Greater Nashua community, and to promote and protect the future economic, social, and civic viability of Greater Nashua.

The goal of this program is to take emerging leaders from all walks of Nashua's community and provide them with:

- An in-depth education on Nashua's past, present and future, including the changing demographics of our region and discussion about what it means to be a leader in a multi-cultural environment.
- An opportunity to meet the region's key leaders in eight key sectors, with sessions on Public Safety, Health Care, Entrepreneurship, Government and Politics, Education, Arts and Culture, Social Services, and Economic Development.
- An opportunity to better understand Nashua's opportunities and the challenges facing the city in the coming years.

Applications will be accepted until May 18, 2018. Scholarships are available, see application packet for more details.
