Lindsey Britten, PA-C, Joins St. Joseph Hospital's Pulmonary Medicine Team

She will begin seeing new patients on September 10

NASHUA, NH – September 10, 2018 – St. Joseph Hospital, a member of Covenant Health, is pleased to announce Lindsey Britten, Physician Assistant-Certified or PA-C, has joined St. Joseph Hospital Pulmonary Medicine, expanding access for adults in the Nashua area to respiratory and sleep disorder care and treatment.

“Our caring team of physicians and staff are proud of their service to Greater Nashua. We’re glad to have Lindsey join us as we work to expand access to health services in our community,” said Donald Reape, MD, Medical Director of Physician Practices, St. Joseph Hospital. “Lindsey is passionate about listening and meeting patients’ needs, and her education and experience will be a great asset to our practice.”

“I look forward to working with the dedicated team at St. Joseph Pulmonary Medicine to help patients get the treatment they need to breathe easier, sleep better and live healthier,” said Britten. “Developing relationships with my patients and their families is very important to me. I’m confident that St. Joseph will be the perfect place for me to pursue my passion for providing high-quality care.”

Before relocating from Texas to New Hampshire, Lindsey served as a Physician Assistant for Physician’s Weight Control & Wellness Centers in Dallas. There, she helped patients address health issues that impacted sleep quality and breathing, including obesity, hypertension and diabetes.

Lindsey graduated from the University of Nebraska with a Bachelor of Science in nutrition, science and dietetics before earning her Master of Physician Assistant Studies at the University of North Texas Health Science Center in Fort Worth, TX. While attending the UNTHSC, Lindsey was recognized by the Dean for outstanding academic performance.

Lindsey will begin seeing new patients on September 10, 2018 at the practice’s 166 Kinsley Street office in Nashua. For more information or to schedule an appointment, please call 603.889.4131.
